ABOUT THE KINGDOM CALENDAR Events may occur slightly before, on, or soon after the dates shown. While this Calendar reflects careful study, any attempt to fix the exact timing of final events is beyond human ability. God alone determines His appointed times, according to His divine purpose and schedule. Scripture reminds us that God “changes times and seasons; He removes kings and raises up others” and reveals deep and hidden things (Daniel 2:21-22). Yesua will complete His work according to God’s timing, not man’s. This Calendar is not to scale. Biblical/Jewish festival dates and details are drawn from multiple sources.
